

THE SUNSET CRUISE

A swim at sunset and a tasting of award winner Vermentino DOC

An exclusive experience for couples and small groups

We will leave from Marina di Carrara around 6.00 - 6.30 pm, to reach with our sailing boat a nice setting along the coast to stop at anchor, from here we will enjoy the best view of sunset over the Gulf of the Poets, and at the same time will have a spectacular view of the Apuan Alps behind our shoulders.

While the crew will be setting the table for a light dinner with wine tasting, our guests will be able to enjoy a swim in the calm and warm waters of the bay.

Back on the boat, guests will have the chance to taste the two *award winners of the international contest Mondial Des Vin Extremes 2019. The Acquafiora and Cuore di Candia Vermentino both received a Gold Medal over a total of 922 participants to the contest.*

Vermentino Acquafiora DOC: our classic Vermentino collects grapes from different vineyards, all on the steep hills of Candia, hills that are difficult to work because of steep slopes, ranging from 30 to 45%.

Rosso Scorciato DOC: from Sangiovese -80% and Merlot 20%

Light dinner: mixed appetizer with tuscan cold cuts and cheese, focaccia bread, typical delicatessen, home made pasta salad or a different main course.
